

District Financial Statement Instructions

Change all dates to the current period you are working on.

Do not change the balances you start with in the October 1, 2009, section. They remain the same for the entire fiscal year, which will end on **9/30/10**.

These balances will need to be updated for the new fiscal year which will begin on **10/1/09** and will not be changed until the end of the fiscal year **9/30/10**.

Post revenues and expenses the same way as before. All new items should be given their own line. Each month is a cumulative report which means that all balances (revenues and expenses) **will accumulate** each month.

If you have any questions please call me at 800-222-2758 or 919-833-6436.
