

EVERY GOOD CAMPAIGN NEEDS A BUTTON

*Looking for an inexpensive way
to recruit new members?*

*Wanna grab a co-worker's
attention?*

*Do you have a creative idea for a
recruitment button?*

*The SEANC Membership Committee
is holding a contest for SEANC
members to create a new button for
membership recruitment. Buttons
are a great tool that can lead to
conversations with co-workers who
want to know more about SEANC.*

*All members are invited to submit a
button design by July 15. The
winner's button will be revealed at
the September convention, where
every delegate will receive the
winning button to wear.*

*Submit your print-ready design to
Lynn Cote at lcote@seanc.org.
Entries will be voted
on via an e-mail survey.*
