

Never before have we come this close....

Now it's Time to Deliver Real Health Care Reform

It's not a matter of if we'll win health insurance reform—it's now about winning the kind of real reform working families need.

On **Tuesday, October 20th**, we're uniting with fellow SEANC and community members to make sure members of Congress stand up to big insurance and make health care truly affordable for all Americans.

Take Action!

Make One Quick Phone Call
Call 1-800-603-SEIU (7348).

Call Senator KAY HAGAN
Ask her to Vote YES on real health insurance reform
that is affordable for everyone.
