YOUR SCHOLARSHIP PROGRAM

One of the many benefits of membership in the State Employees Association of North Carolina is the association's scholarship program. Active and associate members, their spouses and their dependent children are eligible to apply for scholarships to attend technical schools, community colleges, trade schools, junior colleges and four-year universities or colleges.

CRITERIA

Category I scholarships are awarded to successful candidates based on criteria that include financial need, school and community activities, character and motivation. Category II merit scholarships are awarded without consideration of financial need. Category III scholarships are for active and associate SEANC members who are working full time and enrolled in at least six semester hours of undergraduate work or three semester hours of graduate work at an accredited postsecondary institution (includes college, trade, technical, community college and graduate school).

HOW TO APPLY

Applications may be obtained from your District Scholarship Committee, the SEANC Central Office or the SEANC Web site (www.seanc.org) from January until late March. Applications must be postmarked or in the hands of the District Scholarship Chairman **NO LATER THAN APRIL 15**.

Recommendations then are forwarded to the SEANC Scholarship Foundation Board before May 1 for final selection and notification of winners by early June.

The number and amounts of awards are determined each year by the SEANC Scholarship Foundation Board.

DONATE TODAY

Each year the endowment of the popular SEANC scholarship program grows, primarily through SEANC state and district-level fundraising events and individual donations. The business community has also been a generous contributor. If you would like to make a tax-deductible donation to the SEANC Scholarship Foundation, please fill out the contribution form today.
