STATE OF NORTH CAROLINA
DEPARTMENT OF STATE TREASURER

Investment Management Division

JANET COWELL
TREASURER

MICHAEL WILLIAMSON
DEPUTY TREASURER

October 22, 2009

Dear Caroline:

I am writing to inform you of two new policies that North Carolina Department of State Treasurer has adopted. These policies are important and require your immediate attention.

First, the Department has adopted a formal placement agent policy that requires external investment managers to disclose the retention of placement agents and related information in connection with obtaining investments from or doing business with the North Carolina Retirement System and other investment funds held by the Treasurer. Disclosures include the names of the placement agents, the fees paid to them, the resumes of key people, whether the agents are registered with the U.S. Securities and Exchange Commission or the Financial Industry Regulatory Authority and other similar information. Investment managers subject to the policy include general partners, managers and sponsors of private investment funds as well as managers of public equity investments.

The new policy applies to all external investment manager agreements made on or after the adoption of this policy. This policy will also apply to existing agreements if amended following the adoption of the policy to extend the term of the agreement, increase the commitment of funds by the Treasurer or change other substantive terms of the agreement. Finally, the Department requests existing investment managers to voluntarily disclose historical use of placement agents in connection with presently effective agreements. This voluntary disclosure should be made by submitting a Placement Agent Disclosure Letter, in the form attached to the enclosed policy, no later than Friday, November 20, 2009. Any existing investment manager who does not intend to voluntarily comply with this policy should notify the Department prior to the submission deadline.

Second, the Department has also passed a policy at the request of Governor Beverly Perdue to prohibit contractors, including money managers, to make gifts or give favors to any state employee. To comply with this policy, please do not send any gifts to the Investment Management Division or to any individual employed in the Investment Management Division.

Both policies represent an effort by the Treasurer to insure all investment decisions made by the Treasurer and staff be based solely on the merits in conformity with fiduciary standards. If you have any questions, please do not hesitate to contact us.

Sincerely,

Michael Williamson
Interim Chief Investment Officer
