Instructions for the Applicant

The applicant is **required** to attach the Free Application for Federal Aid (FAFSA) Student Aid Report (SAR) Summary showing the final Estimated Family Contribution (EFC) number without an asterisk. The FAFSA process can take 6-8 weeks or more if verification is required; so it is very important that the applicant begin the process to secure this number as soon as possible. **This should be the first step in completing this application.**

To expedite the FAFSA process:

1. Applicants or dependent applicant's parents should file their income taxes as soon as possible (preferably electronically).
2. When completing the FAFSA, applicants or their parents are encouraged (if eligible) to use the **IRS Data Retrieval Tool** which allows applicants and/or their parents access to their IRS tax return and the ability to transfer the data directly into their FAFSA from the IRS website. For more information regarding the IRS Data Retrieval Tool, go to <https://fafsa.ed.gov/help/irshlp9.htm#> or contact FAFSA customer service at 1-800-433-3243.
3. If there is an asterisk next to the EFC number on the SAR Summary, the applicant must provide an official letter or official email from either the college the student will be attending or from FAFSA (1-800-433-3243) verifying that the EFC number is correct.
 - The **official college letter** should include the official school seal/stamp, the signature and title of the verifier, the school's name, address and telephone number.
 - The **official college email** should include the header (originator's college email address, sent date, sent to and subject), verifier's name, title, the school's name and telephone number.

Failure to provide the SAR, which contains the EFC number without an asterisk or an official letter verifying that the EFC number with an asterisk is correct, will result in the disqualification of the application.
