

INSURANCE INSIDER

NOVEMBER 2020

Did you know that more than 40 million Americans will visit a physician's office for unintentional injuries this year? The average household cost associated with lost wages, medical and other injury related expenses is \$6,700. You can be prepared for life's accident for as little as \$5.09 per month.

SEANC's Group Accident Coverage underwritten by Boston Mutual complements your medical coverage by providing you with a benefit payment for covered medical services once your coverage is effective. This payment can be used as you see fit, especially to help with the out-of-pocket expenses you may incur as a result of an accident.
