Long-Term Care
SOUTHEASTERN SENIOR STRATEGIES
This policy is designed to assist the person who has lost some or all ability to care for himself due to an illness or accident. Services can be provided whether you are living in a private residence, assisted living facility or a nursing home. Benefit options allow you to custom design your coverage and needs.

Critical Illness
COLONIAL SUPPLEMENTAL INSURANCE
This policy pays up to $50,000 lump-sum benefit upon diagnosis of a covered critical illness such as cancer, heart attack or stroke. The premium will remain the same as you age.

Group Critical Illness
AFLAC
Provides cash benefits in the event of a covered critical illness. Employee and spouse coverage is available and dependent children covered at 50 percent of the employee’s amount — at no additional cost. Helps you focus on recuperation instead of stress over the cost of medical and personal bills.

Vision
SPECTERA VISION — A UNITED HEALTHCARE COMPANY
This insurance offers cost-effective nationwide benefit plans and includes eye exams, lenses, eyeglass frames and contact lenses. The enhanced plan option covers many eyeglass lens extras such as progressive lenses. Discounts are available on non-covered cosmetic options and laser vision correction procedures.

Dental
METLIFE INSURANCE
With a MetLife dental benefit plan, you can get competitive group rates for you and your family. Best of all, you can visit the dentist of your choice. Orthodontia coverage for children is available ($5,000 lifetime maximum effective January 1, 2014). The high option plan pays up to $5,000 per year in benefits, effective January 1, 2014.

Group Accident
AFLAC
Helps pay for out-of-pocket costs, not covered by health insurance, that may arise when you or a family member have covered accidents such as fractures, dislocations and lacerations.

Cancer
COLONIAL SUPPLEMENTAL INSURANCE
This plan provides benefits for cancer screening, even if you are never diagnosed, and guarantees renewable coverage as long as premiums are paid on time. The cancer insurance pays both medical and non-medical expenses related to cancer that most medical plans may not cover.

Disability
COLONIAL SUPPLEMENTAL INSURANCE
This insurance will replace a portion of your income in the event you are unable to work due to a covered sickness or accident. These plans are portable and available to permanent employees ages 17-69, working a minimum of 20 hours per week.

Group Disability
AFLAC
Offers an essential income replacement benefit that helps protect employees from loss of income due to a disabling sickness or injury.

Hospital Confinement
“Medical Bridge”
COLONIAL SUPPLEMENTAL INSURANCE
Protect yourself against out-of-pocket expenses that occur when you or your family members need hospitalization, sick visits to your doctor, ER treatment and health screening tests. Benefits are paid directly to the insured.

Group Hospital Indemnity
AFLAC
Helps pay the out-of-pocket costs associated with a hospital stay including benefits from hospital admission, hospital confinement and hospital intensive care. The cost resulting from a hospital stay can add up quickly. This plan helps offset the out-of-pocket costs.
