JULY 2020

BE PREPARED WITH INSURANCE COVERAGE

Life is anything but expected.
That's why it's important to be prepared with cancer insurance.

Now more than ever, it's important to have protection against the unexpected moments in life. Hopefully you and your family will never face cancer. But if you do, cancer insurance* from Colonial Life helps offset out-of-pocket expenses incurred from diagnosis to recovery.

With cancer insurance you can focus on what matters most: recovery.
