

DISCOUNTED LONG-TERM CARE INSURANCE NOW AVAILABLE!

WHAT IS LONG-TERM CARE? Long-term care services are designed to assist someone who has lost some or all of the ability to care for him/her due to an illness, an accident or simply the frailty of aging. Most long-term care costs are not covered by Medicare.

Long-term care includes a wide range of services which help people maintain the normal activities of daily living; activities like bathing, continence, dressing, eating, toileting and transferring (like moving from a bed to a chair or from a chair to standing, etc.). Long-term care services can be provided in your home, in and through community resources or in a formal setting such as a nursing home or assisted living facility.

SEANC MEMBERS, SPOUSES, PARENTS AND GRANDPARENTS ARE ELIGIBLE FOR THIS DISCOUNTED PLAN. VISIT THE SOUTHEASTERN SENIOR STRATEGIES, LLC WEBSITE (WWW.SSSLTC.COM) TO LEARN ABOUT LONG-TERM CARE AND/OR CALL FOR A QUOTE.
