

Legal Plans

Provides access to legal expertise for both expected and unexpected events.

Legal experts on your side, whenever you need them

Quality legal assistance can be pricey. And it can be hard to know where to turn to find an attorney you trust. For a monthly fee, you can have a team of top attorneys ready to help you take care of life's planned and unplanned legal events.

MetLife Legal Plans, formerly known as Hyatt Legal Plans, gives you access to experts who can assist you with a broad range of personal legal needs you might face throughout your life. This could be when you're buying or selling a home, starting a family, dealing with identity theft, or caring for aging parents.

You may be thinking — why would top attorneys need or want to join a legal plan network? But even experienced attorneys need to grow their practice. By providing exceptional service to you and other plan members, they can gain more clients through your referrals. That's how we've established a large network of highly experienced attorneys, averaging 25 years of experience.

Reduce the cost of legal services with MetLife Legal Plans.

How it works

Our service is tailored to your needs. With network attorneys available in person, by phone, or by email and online tools to do-it-yourself or plan your next move — we make it easy to get legal help.
