Use Your VPI Policy in Three Easy Steps:

Pay for your pet's treatment at the time of service.

Fax or mail our easy-to-use claim form along with your receipts.

After meeting your policy's annual deductible, you'll be reimbursed according to your plan's benefit schedule.

* Rate discounts apply to the base medical plan only and are calculated as follows: In addition to 5% group discounts, pet owners will receive 5% multiple-pet discounts by insuring two to three pets or a 10% discount on each policy for four or more pets.

** These are actual claims from VPI policyholders who were enrolled prior to the introduction of the VPI Major Medical Plan and VPI Medical Plan. Claims were reimbursed according to the respective plan in which the policyholder was enrolled at the time. Amounts shown here reflect what would have been reimbursed through the updated plans based on a \$100 annual deductible. Available deductible amounts are \$100, \$250, \$500 and \$1,000.
