Piratefest booth nets five new members

PIRATEFEST - District 65 rented a booth at Piratefest in April to educate the public about SEANC. Everyone was invited to spin the wheel to win prizes, while Member Relations Representatives Gloria Evans and Celia Wilson worked to recruit new members. At the end of the day five new members joined, receiving gift cards and their first month's dues free.

LEADERSHIP CONFERENCE - Karen Simmons, Communications Chair, and Cynthia Brown, Membership Strength Chair, attended SEANC's three-day Leadership Development Conference at Caraway Conference Center in April. The two learned about the Myers-Briggs Type Indicator assessment, which identify valuable differences between people that can be the source of misunderstanding and miscommunication. They also learned how to develop leadership tools and techniques through numerous role-play scenarios.
